

COVID-19 WARNING

In connection with the 2020-21 NHL season, we have taken enhanced health and safety measures intended to mitigate the risk of exposure to COVID-19. Despite the protocols and requirements that we have put in place, no precautions can eliminate the risk of exposure to COVID-19.

Traveling to and from, visiting, and/or providing services in and around the arena may lead to a risk of exposure to COVID-19.

COVID-19 is highly contagious and there is an inherent risk of exposure to COVID-19 in any place where people are present. COVID-19 can lead to severe illness and death. While people of all ages and health conditions have been adversely affected by COVID-19, certain people have been identified by public health authorities as having greater risk based on age and underlying medical conditions. Exposure to COVID-19 can result in being subject to quarantine requirements.

Please do your part by complying with our health and safety rules and let's keep each other safe and healthy.
